THE PLAY

1. Select your target and introduce yourself as (your first name) J. Wonka. Whether she asks or not, nod your head and add, "As in Willy Wonka. He was my granddaddy."
2. Explain how you get all the money and all the candy you want. In fact, you have a four-poster bed made out of gold and chocolate. Invite her to check it out.
3. Enjoy your sugar high.
