THE PLAY

1. Approach a chick and say, "Hey, it's great to see you again! I feel terrible but I've forgotten your name."
2. She'll insist she's never met you before. That's when you say, "I'm Brian's friend."
3. Embarrassed, she will endeavor to make it up to you—hopefully sex-wise.

WHY DOES THIS WORK?

Every person alive knows somebody named Brian. And he's a pretty good dude.
