

THE GRIEVING CHICKS

Success Rate	wish it were 0%
Attracts	bereft chicks, an eternity of guilt
Requirements	zero integrity
Prep Time	none . . . if you have no soul
Bummers	• hospital smell • hospital food • hospital magazine selection

THE PLAY

1. Hang out in a hospital waiting room.
2. Choose a target from among the gathered friends and family.
3. When and if a doctor delivers bad news, offer her your shoulder and other body parts to cry on.
4. Donate lots of money to the hospital or something because, buddy, that was cold.

Q: *Um, aren't you the one who published the play?*

A: Shut up.
